

Evidence pack

Fill this in as you build. Submit with your live site URL. No essay required — just proof of your work.

Part A — Artefact

Live URL	
Lighthouse Accessibility score	
Date tested	
Browser / Chrome version	
Lighthouse mode	Mobile / Desktop

Part B — Row evidence

One specific line per row — where can an assessor verify on your live site?

Structure / UX	
Accessibility	
Visual design	
Deployment	
Content	

Part C — Brief

Attach your Module 06 one-page brief (Goal, Audience, Pages, Tone, Must-haves, Non-goals, Accessibility intent).

Part D — Work claims

Hosting	
Why this host (one line)	
AI used?	Yes / No

If yes — verified by hand	
----------------------------------	--

Submission checklist

- ☐ Live URL loads in a fresh browser
- ☐ Lighthouse $\geq$ 90% on deployed URL (screenshot if required)
- ☐ All Part B rows filled with specific proof
- ☐ Brief attached (Part C)
- ☐ Part D complete
